The Oklahoma State Regents for Higher Education in compliance with Titles VI and VII of the Civil Rights Act of 1964, Executive Order 11236 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990 and other federal laws do not discriminate on the basis of race, color, national origin, sex, age, religion, handicap, or status as a veteran in any of its policies, practices, or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services.

This publication, duplicated by the State Regents' central services, is issued by the Oklahoma State Regents for Higher Education as authorized by 70 O.S. 2001, Section 3206. Forty copies have been printed at a cost of approximately \$125. Copies have been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries. Additionally, electronic editions are available through the agency Web site at [www.okhighered.org](http://www.okhighered.org). This publication was produced in September 2008.

2006-07 Degrees Conferred in Oklahoma Higher Education includes two volumes. Volume I contains summary tables from Volume II for 2006-07 data and includes some comparisons to 2005-06. Volume II contains Classification of Instructional Program (CIP) codes by field of study. Differences in CIP totals between Volume I and Volume II are due to the use of CIP taxonomies, 1990 and 2000. Certain codes were eliminated or changed resulting in inconsistencies in a few disciplines. Volume II corrects for these anomalies. Volume I reflects codes as they were submitted by the institutions. Volume II is available upon request.
