

OSRHE Critical Occupations CIP to SOC List

Each year, Oklahoma Works develops a list of Oklahoma’s “Top 100 Critical Occupations.” The list identifies occupations that are in high demand and are projected to have positive future growth. Additional information regarding the methodology used to identify critical occupations can be found here. To ensure consistency in data reporting and analysis, OSRHE developed a CIP Code to SOC Code crosswalk that identifies academic programs aligned with Oklahoma’s “Top 100 Critical Occupations.”
