Associate and bachelor's degree holders earn a median income **25% and 75% higher**, respectively, than those with only a high school diploma.

Data from the National Center for Education Statistics show Oklahoma universities have the **8th-lowest cost of attendance in the nation**.

The number of engineering degrees and certificates conferred by state system institutions **increased 43.1%** over the last decade, and STEM degrees **increased 19.2%** at all levels.

Our students learn here, earn here — **96%** of Oklahomans who graduate from a state system college or university remain and work in the state one year after graduation.

Only **28.5%** of Oklahoma citizens hold a bachelor's degree or higher. The national average is nearly 36%, and of our surrounding states — including Arkansas, New Mexico, Missouri, Texas, Kansas and Colorado — only Arkansas has a lower percentage of citizens with a bachelor's degree or higher.

Of Oklahoma's 100 critical occupations, the **top 29** highest-paying jobs require an associate's degree or higher, and all of the **top 10** require a bachelor's degree or higher.
